Construction Materials:

Pump Casing/ Top plate/ Sleeve:	Stainless Steel AISI 304
Impellers & Diffusers:	Stainless Steel AISI 304
Pump shaft / Seal bush:	Stainless Steel AISI 304
Bearings:	Ceramic / Tungsten Carbide
Base plate:	Cast Iron GG22
Motor Adaptor:	Cast Iron GG22
Counter Flanges:	Cast Iron GG22
Collar Flanges:	Cast Iron GG40
Sleeve O rings:	EPDM
Mech Seal:	Stages 1 - 6 Ca / Sic / EPDM
	Stages 7 - 17 Sic / Ca / EPDM

Temperature Range: -15 to 100 °C

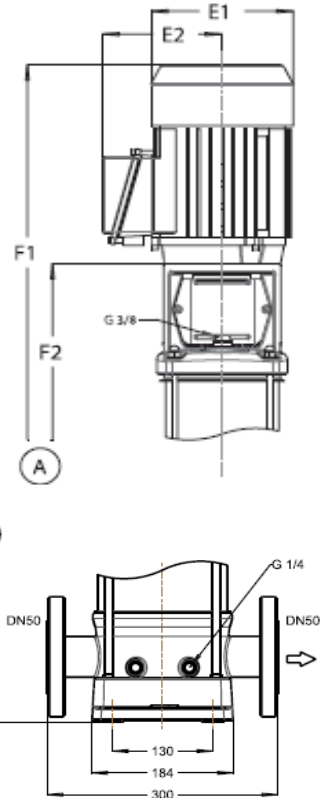

Motor Data: IP55 Eff 1 Class F

P [kW]	1.1	1.5	2.2	3	4	5.5	7.5	11	15

DPVF - Round Collar flange

Also available with the following options on request:

- 316 Stainless Steel Construction - (S) Model
- Mech seal and O rings in Viton®
- 60Hz Motor
- Atex / Lloyds Register Approval
- Heavy duty Cast Iron casing - (CF) model

DPV 15

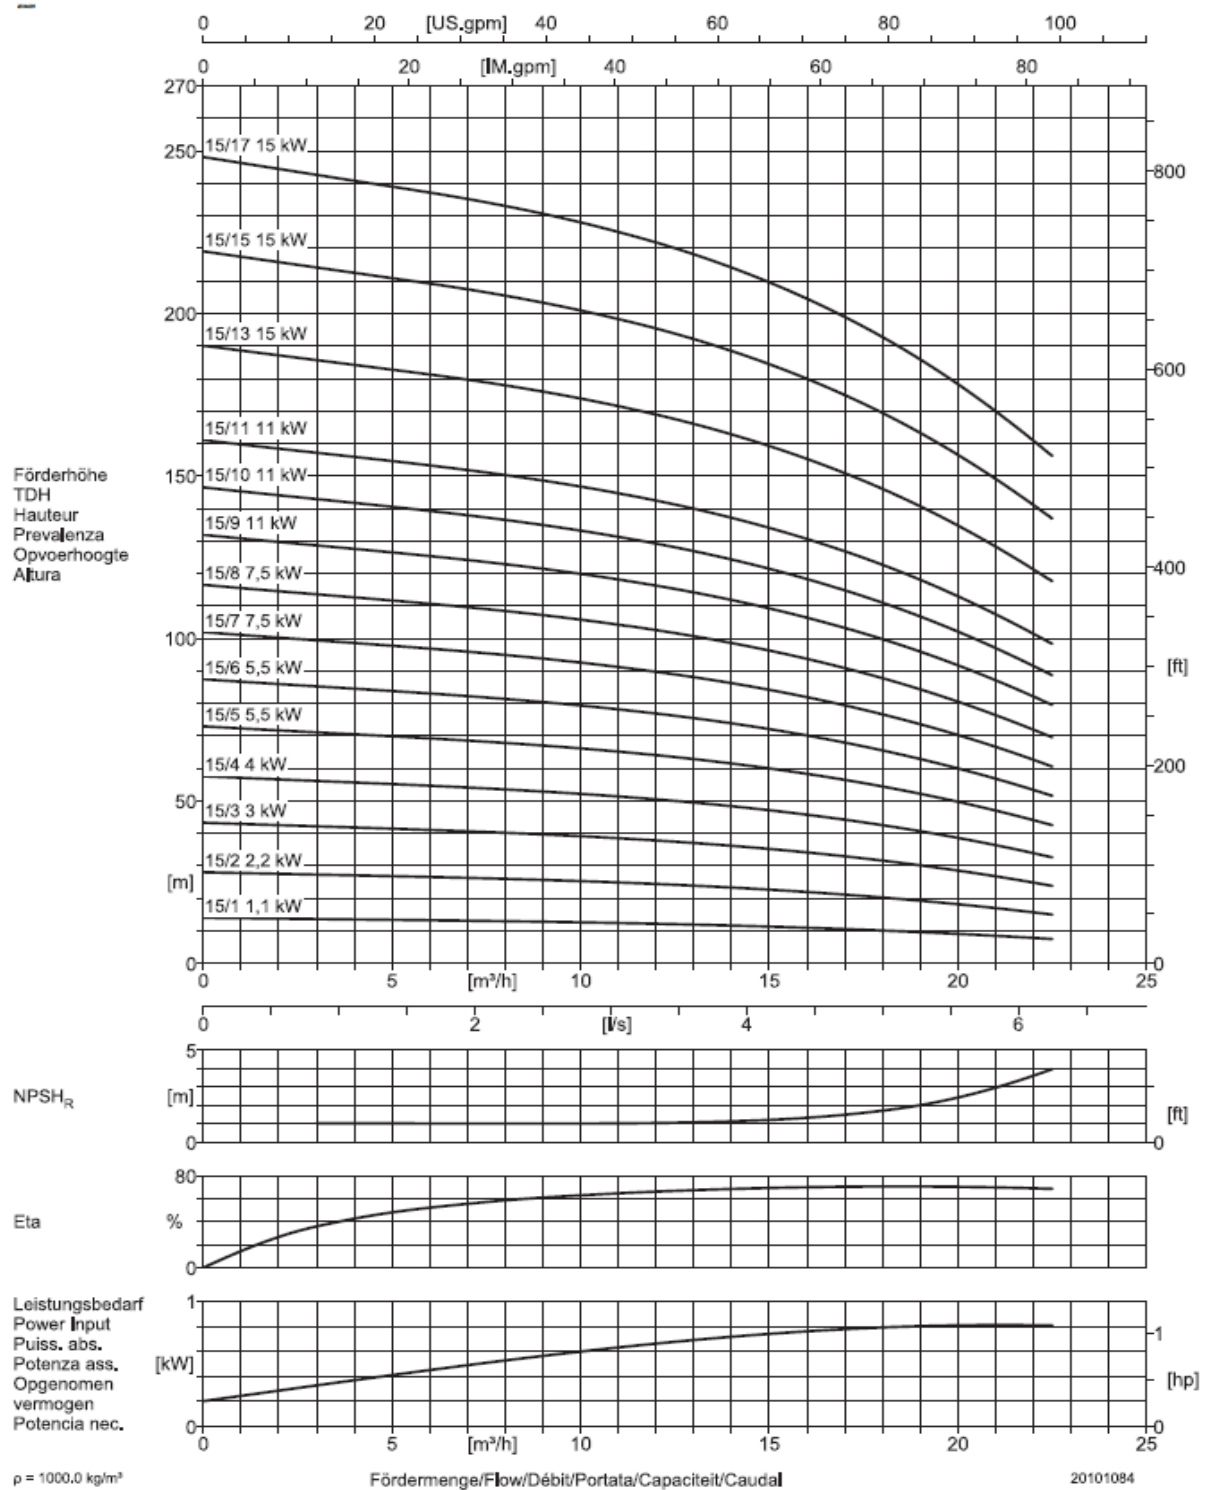

Vertical Multistage Pump

Q Max 22.5m³/hr

(also available in 4 pole 1450 RPM)

Hydraulic Performance Curve DPV (C/S) F 15 B

2900 RPM 50hz
